How to choose a career and look for an apprenticeship in Switzerland

Info event for migrant parents

English | English

**Your child is at secondary school.
However, you don't speak German very well.
You have a lot of questions.**

- What type of careers are available?
- What is a basic vocational education (apprenticeship)?
- What is a federal vocational baccalaureate (BM)?
- Who can help in choosing a career?

**Register for this Info event.
You will receive answers in your own language at the event.**

Target group – Parents of young people in secondary school
– Family members and interested parties
